

KAREN YANCEY

AGK NETWORK DEVELOPMENT DIRECTOR

Karen serves as the director of Network Development for the AG Kansas Ministry Network office. In this capacity she carries multiple strategic responsibilities including ELEVATE – a support system for AG Kansas credentialed women and those recognized as ladies who provide ministry leadership. (Spouses serving with their credentialed husband, Non-credentialed female staff pastors and those in the credential pipeline.) Karen is an ordained minister and speaks for local churches, and district Conferences and Conventions.

With humor, appealing genuineness, personal stories and wisdom rooted in scripture Karen shares her heart with others who are on a similar journey in their calling and love for Christ. She recognizes the multi-faceted challenges inherent in the lives of women yet maintains that focus on God and His agenda is the key to navigating the storms and challenges of life. “God is calling women to step-out of their comfort zone, step-into their God-designed destiny, step-over obstacles that marginalize faith and step-beyond the status quo into fullness of life with Him!”

Additionally, she functions as a Certified Leadership and Talent Management coach, has earned a Master’s Degree through AGTS with emphasis in theology, organizational leadership and coaching. For fun, Karen enjoys reading while sipping on her favorite Starbucks drink and finds decorating therapeutic. However, a grandmother to seven, remains one of her greatest joys.
