# The Brook at Bethpage

The Brook at Bethpage is a place that has been set a part where those serving in Pastoral Ministry can come and escape the rigors of everyday life. There is no set agenda therefore you can use your time at the Brook for prayer, study, relax, or work on a favorite project.

Why is a place like The Brook important to the body of believers? Statics show that every year Pastors by the hundreds are leaving the ministry, many of whom are suffering from burnout and stress due to ministry-related activities.

With this in mind "The Brook at Bethpage" was established as a habitation for the presence of the Lord... a place of refuge, rest, restoration, and rejuvenation for those needing to come and experience His masterpiece. The Brook is not a vacation spot but rather a unique place to encounter the God that called and equipped you to serve Him!

We believe when the Holy Spirit speaks to you about coming to the Brook it is a divine appointment for God's called and chosen ones, therefore there is no charge for your stay for five nights in one of our beautiful cottages, we operate on donations from our partners and churches that see the importance of a place like The Brook. We offer this arrangement to anyone in full time Pastoral ministry whether you personally can give a donation or your church can support your stay with a donation, no one is turned away. Groups and anyone not in full time ministry wishing to come to The Brook there is a nominal fee for the cottages.

# The Carriage House

A minister's retreat nestled in the Rocky Mountains on the North Fork of the South Platte River in Shawnee, CO.

"...send them on their way in a manner worthy of God." III John 1:16

The Carriage house is located an hour from Denver, yet we're secluded. We adjoin a National Wilderness Area, in the heart of the Rockies, 8200 ft in elevation. Right out your door is ½ mile of private river- the famous North Fork of the South Platte River.

Available September through May. It has a completely furnished kitchen, one king size bed, bunk beds in another separate bedroom and a queen sized hide-a-bed in the living room area. It also has a fireplace for those chilly mornings and nights. You can be completely independent, waking when you desire, and eating at your leisure.

Also, Breckenridge is one hour away.

The Lord has already provided for your stay! The guest ranch next door rents the Carriage House from June through August. With this income, we are able to provide this accommodation without cost to you!

Children are welcome! Although the Carriage House was intended for pastors alone, or pastors and their spouse, for quiet and secluded refreshment, we have found when children have been included, there is another dimension of refreshment. All pastors need time away with their families as well as time alone with God.

We are glad to give you the option to do what you need.
