

Kansas District Hawken Rifle Chapter Chapter Constitution and Bylaws

Article I

Name This organization shall be known as the Hawken Rifle Chapter of the Kansas District Council of the Assemblies of God (hereafter known as Kansas District) Frontiersmen Camping Fellowship.

Article II

Purpose and Nature of FCF

Purposes:

To give recognition to boys and men who have shown exceptional interest and outstanding achievement in the Royal Rangers program and in Royal Rangers Camp Craft.

To build a brotherhood of “top-notch boys ” and men who will, over the years, continue to be Royal Rangers program and camping enthusiasts.

To emphasize the importance of involvement in the advancement program, development of Camp Craft skills, and completion of the leadership training programs.

To develop a corps of proven Royal Rangers who will strive to be the very best in Christian example and leadership.

To encourage the boys and men of Royal Rangers to always prefer others above themselves and to let their leadership be by example.

To show a spirit of servant hood, willing to give of time and energy above and beyond what is expected for Royal Rangers.

Nature of FCF:

The Frontiersmen Camping Fellowship is a service organization. The members are encouraged to become absorbed in the Royal Rangers program on the level where they are most needed. They can contribute a great deal to the program by being an example in enthusiasm and involvement. However, because of the caliber of the membership, many members will no doubt be asked to assist in various outreaches of the Royal Rangers program on a sectional and district level.

The FCF Chapter will develop most of its own activities and projects. These are not designed primarily for FCF members only, but occasionally will also be expanded to include non- members (family, guest speakers, visitors, etc.)

The Chapter may also be assigned special duties by the chairman to aid him in carrying out the goals of the overall Royal Rangers program at Pow Wow, camp-outs, training courses, and other times deemed necessary.

An active member is one who pays his annual membership dues and is actively engaged in some aspect of the Royal Rangers program in the district. An inactive member is one who fails to do one or both of these. Any member who has been inactive for 3 successive years will be dropped from

the membership list. He may become active again by reearning the 8 required merit awards for membership and by paying his back dues. He must also be active in the Royal Rangers program in order to reactivate their membership. A member who has been inactive for less than 3 years may become active by paying his membership dues for the current year in addition to the previous years.

Reinstating an inactive Hawken Rifle Chapter FCF Member

Definition of Inactive member:

- Dues not paid for a period of 3 years.
- Not participating in at least 2 FCF events per year for the last 3 years.

Steps for reinstating membership:

- Pay Reinstatement Fee of \$20.00
- Pay yearly dues (Old timers – \$20.00 Youngbucks-\$10.00)
(If member has lifetime card, yearly dues are not required)
- Member needs to teach or earn merits of the Trail of the Grizzly
- Member needs to attend a frontier adventure.

After inactive member has completed the above steps the member will be reinstated at the level the member was at time of inactivity.

Any person who is an active member of another chapter that moves to the Kansas District and wishes to become active will be accepted for membership. He will have a grace period of the remainder of the calendar year in which he transfers to the chapter before he will be required to pay membership dues. During this time, it is necessary for the transferring member to have an official Letter of Confirmation sent from the former district's scribe to the Kansas District scribe. Failure to provide this letter will automatically result in an inactive status and the same guidelines already mentioned will apply.

Any member who becomes inactive due to being transferred out of the district by the military or because he is attending college outside the district, is considered excused inactive. They will not be required to pay membership dues for the year, but they will have all the rights and privileges due to an active member. There is no limit to the number of years a member may be excused inactive, but if he elects not to return to the district or he

becomes active in another chapter, he should request a transfer of his membership.
